Subject: draft script for press call

Gang—

Next draft of roll-out plan and script attached. I revised the script based on today's discussion. Given that discussion, this script could easily get very long, so I tried to keep it at a reasonable length.

Currently, CD has the pen on the new Q&A. They'll send that around when they can.

I've copied Chris on this given the time crunch. Please note that a portion of this needs further review/editing from CD (it's highlighted). I'll keep the pen for now, so please send edits to me and I'll consolidate this evening.
